

**Index to the Oral History of
Admiral Noel A. M. Gayler, U.S. Navy (Retired)**

AD/A-1 Skyraider

In the early 1950s Air Development Squadron Three (VX-3) experimented with long-range flights, 156-157

A3D Skywarrior

Heavy attack aircraft that entered the fleet in the mid-1950s, 173
Flown from the aircraft carrier *Ranger* (CVA-61) around 1960, 215-216

Abramowitz, Morton I.

In the early 1970s served as political advisor to Commander in Chief Pacific, 312-313

Adams, Sherman

In the late 1950s, as the President's chief of staff, was involved in Navy budget discussions, 192-193

Air Development Squadron Three (VX-3)

Made up of topflight pilots in the early 1950s, 154-155, 161-162
Tactics developed in the early 1950s for use in delivering nuclear weapons, 155-156
Experimental work in the early 1950s, including work in electronic warfare, 156-164, 254

Air Force, U.S.

Movie in the early 1950s about the F-86 Sabre jet, 163
Role of the Strategic Air Command in the late 1950s, 195-196
Control of the Joint Strategic Target Planning Staff (JSTPS) during the 1960s, 255-257
Effectiveness of the Strategic Air Command in the late 1950s-early 1960s, 257-259
Bombing of Vietnam in the 1960s-70s, 287, 328-329

Alameda, California, Naval Air Station

Homeport for the aircraft carrier *Ranger* (CVA-61) in the late 1950s-early 1960s, 211, 220-221

American Committee on East-West Accord

Gayler's role with the organization after he retired from the Navy, 336-337

Anacostia, Naval Air Station, D.C.

Site of Navy flight testing, 1942-43, 114-119

Antiair Warfare

Development of a lead-computing sight for antiaircraft guns in World War II, 69

Air-to-air gunnery practice in 1941 by Fighting Squadron Three (VF-3), 90-91
Japanese antiaircraft fire in the 1942 Battle of the Coral Sea, 107-108

Antisubmarine Warfare

Role of Carrier Division 20 in the Atlantic and Mediterranean in the early 1960s, 234-242

Arkansas, USS (BB-33)

Naval Academy training cruise to Europe in the summer of 1934, 27-30

Army, U.S.

Gayler attended a West Point prep school at Schofield Barracks in Hawaii 1930-31, 13-17

Army Air Forces, U.S.

The Navy used an Army P-51 fighter in flight tests during World War II, 115-116
Operations against Japan in the closing months of World War II, 135-136

Atlantic City, New Jersey, Naval Air Station

Base for Air Development Squadron Three (VX-3) in the early 1950s, 154-164

Australia

Relationship with the U.S. Pacific Command in the early 1970s, 313-314

Badger, Rear Admiral Oscar C., USN (USNA, 1911)

Commanded a task group that began the occupation of Japan in August 1945, 138-143

Bahrain

Island in the Persian Gulf that served in the late 1950s as the base for the U.S. Middle East Force, 174-180, 185-188

Bairoko, USS (CVE-115)

In 1948 supported nuclear weapons tests at Eniwetok in the Marshall Islands, 149-150

Operations off the U.S. Pacific Coast in the late 1940s, 150-151

Beecher, Lieutenant (junior grade) William G., USN (USNA, 1925)

Served as a Naval Academy company officer in the early 1930s, 23

BeLieu, Kenneth E.

As staff member of the Senate Armed Services Committee in the late 1950s, 193-194

Bennett, General Donald V., USA (USMA, 1940)

Served 1969-72 as director of the Defense Intelligence Agency, 271, 321

Served 1973-74 as Commander in Chief U.S. Army Pacific, 321

Bennett, Rear Admiral Rawson II, USN (USNA, 1927)

In 1957, as Chief of Naval Research, questioned reports of the Soviet satellite Sputnik, 198

Bhutto, Ali

Served as Prime Minister of Pakistan until ousted by a coup in 1977, 303-304

Bombs/Bombing

Atomic bombs dropped on Japan in August 1945 by U.S. Army Air Forces bombers, 135-136

Tactics developed by Air Development Squadron Three (VX-3) in the early 1950s for delivering nuclear weapons, 155-158

Simulated nuclear bombing demonstration for the Joint Chiefs of Staff in the early 1950s, 157-158

Air Force bombing of Vietnam in the 1960s-70s, 287, 328 329

Boykin, Frank W.

Alabama congressman who in the late 1950s contacted the Secretary of the Navy on behalf of his constituents, 203

Brown, George

Labour Party member of British Parliament in the early 1960s, shadow Defence Minister, 223

Brown, Harold

In the mid-1960s served as Assistant Secretary of Defense for research, development, test, and evaluation, 245-246

Bureau of Aeronautics (BuAer), Washington, D.C.

Work of the fighter development branch, 1949-51, 151-154 Relationship with aircraft manufacturers in the mid-1950s, 166-167

Bureau of Naval Personnel (BuPers), Arlington, Virginia

Planning in the late 1950s to deal with the promotion of officers commissioned during World War II, 196-198

Bureau of Ordnance (BuOrd), Washington, D.C.

Opposition to a lead-computer anti-aircraft gun sight developed by Luis de Florez in World War II, 69

Burke, Admiral Arleigh A., USN (USNA, 1923)

Aggressive skipper of the destroyer *Mugford* (DD-389) in the late 1930s, 62-63, 201

As CNO in the late 1950s, relationship with the office of the Secretary of the Navy, 190-191, 200-201, 206-207

Cambodia

Seizure of the U.S. merchant ship *Mayaguez* in 1975, 333-334

Carrier Division 20

Antisubmarine mission in the Atlantic and Mediterranean in the early 1960s, 234-239

Role in the Cuban Missile Crisis in 1962, 238-242

Astronaut recovery in the early 1960s, 243-244

Cecil, Lieutenant Commander Charles P., USN (USNA, 1916)

Served as a Naval Academy company officer in the early 1930s, 22-23

Charbonnet, Lieutenant Commander Pierre N., Jr., USN (USNA, 1941)

Served in the early 1950s as executive officer of Air Development Squadron Three (VX-3), 155, 162-163

Churchill, Winston S.

Leadership of Great Britain as Prime Minister in World War II, 295-296

Clarey, Admiral Bernard A. "Chick," USN (USNA, 1934)

Served as Commander in Chief Pacific Fleet, 1970-73, 319-322

Communications

Ciphering of messages on board the battleship *Maryland* (BB-46) in the mid-1930s, 36

Problems in the attack on the *Liberty* (AGTR-5) in 1967 and seizure of the *Pueblo* (AGER-2) in 1968, 275-276

Composite Squadron Four (VC-4)

Navy squadron that operated out of Atlantic City, New Jersey, in the early 1950s, 164-165

Compton, USS (DD-705)

Damaged a propeller while serving with the Middle East Force in 1956, 177

Computers

Development of by the Special Devices Center, Fort Washington, New York, shortly after World War II, 145-147

Congress, U.S.

Relations with the office of the Secretary of the Navy in the late 1950s, 192-194, 203

Oversight of the National Security Agency in the late 1960s-early 1970s, 281-283

In 1973 Congress cut off funds for supplying Vietnam militarily, 301-302

Coral Sea, Battle of (May, 1942)

Role of the aircraft carrier *Lexington* (CV-2) and her planes, 65-66, 74, 106-112

Craven, USS (DD-382)

Operations in the Eastern Pacific, 1939-40, 62-66, 201
Gunnery practice, 62-63

Crommelin, Captain John G., Jr., USN (USNA, 1923)

In the mid-1940s exposed the secret Green Bowl Society, 128-129

Cuban Missile Crisis

Role of Carrier Division 20 in the Atlantic during the operation, 238-241

Cushman, Midshipman Robert E. Jr., USN (USNA, 1935)

Future Marine Commandant was at the Naval Academy in the early 1930s, 32

Damage Control

Loss of the aircraft carrier *Lexington* (CV-2) to fire in the Battle of the Coral Sea, 1942, 65-66, 109-112

Davis, Captain Louis P., USN (USNA, 1905)

Commanded the battleship *Maryland* (BB-46) in 1936-37, 33, 43, 48

de Florez, Commander Luis, USNR

Received flight training at Pensacola, Florida, in 1940, 67-68
Inventions, 67-69
Shortly after World War II, served at the Special Devices Center, Fort Washington, New York, 144-146
Death of in 1962, 244

Discipline

Captain's mast cases on board the aircraft carrier *Ranger* (CVA-61) in the late 1950s-early 1960s, 216

Douglas, Captain Archibald H., USN (USNA, 1908)

Commanded the aircraft carrier *Saratoga* (CV-3), 1940-42, 90-91

Dutton, Captain Benjamin, Jr., USN (USNA, 1905)

Commanded the training ship *Wyoming* (AG-17) in the early 1930s, 25-26

Echeverria, Luis

Mexico's President visited the Gaylers in Hawaii in the early 1970s, 305

Electronic Warfare

In the early 1950s Air Development Squadron Three (VX-3) did experimental work in electronic warfare, 160-161

Elizabeth II, Queen

Congenial to Gayler and his wife in 1960, 229

Visited the Gaylers in Hawaii in the early 1970s, 306

Eniwetok, Marshall Islands

In 1948 was the site of nuclear weapons tests, 149-150

Enlisted Personnel

On board the battleship *Maryland* (BB-46) in the mid-1930s, 34-36, 41-42

In the crew of the aircraft carrier *Ranger* (CVA-61) around 1960, 208-209, 216-217

F2A Buffalo

In the prewar period of the early 1940s flown by Fighting Squadron Three (VF-3), 81-89, 94

F2H Banshee

Flight characteristics, 164

In the early 1950s Air Development Squadron Three (VX-3) experimented with long-range flights, 156, 162-163

F3D Skyknight

Fighter used in a simulated nuclear weapons attack at Quantico, Virginia, in the early 1950s, 157-158

F3H Demon

Characteristics of the Navy fighter plane flown in the 1950s and 1960s, 166

F4B

Boeing fighter plane used for flight training in 1940, 79

F4F Wildcat

Flown by Fighting Squadron Three (VF-3) in 1941-42, 89, 91-92

Wartime operations in Fighting Squadron Two (VF-2) in early 1942, 98-109

Characteristics, 121

F4H/F-4 Phantom

Development in the mid-1950s of the military requirements for this aircraft, 165-170

F4U Corsair

World War II fighter plane that needed cockpit adjustments because of its long nose, 118-120

F6F Hellcat

Flight testing in 1942, prior to squadron introduction in 1943, 114-115, 121-123

Flown in 1944-45 by Fighter Squadron 12 (VF-12), 126-128

F8U-3 Crusader III

Competitive flight-testing in the late 1950s against the McDonnell F4H Phantom II, 168-170

F-14 Tomcat

Evolved from the unsuccessful attempt in the 1960s to create a Navy version of the F-111 fighter, 247-248

F-86 Sabre

Characteristics of this Air Force jet that flew in the early 1950s, 163-164

F-111

Attempt in the 1960s to create a multi-service fighter plane, 247-249

FJ Fury

Navy fighter that flew in the early 1950s, 163-164

Fighter Squadron 12 (VF-12)

Pre-deployment training and workups in 1944-45, 126-128

Fighting Squadron Three (VF-3)

Lieutenant Commander John S. Thach as commanding officer in the early 1940s, 80-93, 100, 105

In the prewar period of the early 1940s flew the Brewster F2A Buffalo, 81-92

Operations from the aircraft carrier *Saratoga* in 1941-42, 84-98 In 1941-42 flew the F4F Wildcat, 91-92

Development of the Thach Weave fighter tactic prior to World War II, 85-86

In 1940-41 made simulated attacks against Pearl Harbor, 95-96

Fighting Squadron Two (VF-2)

Wartime operations against the Japanese in early 1942, 98-107 Battle of the Coral Sea, May 1942, 106-109

Fire Control

Optical range finders for fire control of the guns on board the battleship *Maryland* (BB-46) in the mid-1950s, 42-43

Practice with 5-inch guns by the destroyer *Craven* (DD-382) in 1939-40, 62-63

Development of a lead-computing sight for antiaircraft guns in World War II, 69

Fires

Loss of the aircraft carrier *Lexington* (CV-2) in the Battle of the Coral Sea, 1942, 65-66, 109-112

Fitch, Rear Admiral Aubrey W., USN (USNA, 1906)

On board the aircraft carrier *Lexington* (CV-2) during the Battle of the Coral Sea in May 1942, 111

Flight Training

At Pensacola, Florida, in 1940, 67-80

Focke-Wulf 190 (German Fighter Plane)

Flight-tested by U.S. pilots during World War II, 117, 121-122

Foley, Rear Admiral Francis D., USN (USNA, 1932)

Commanded Carrier Division One, 1960-61, 54, 214, 324

Football

Team in the battleship *Maryland* (BB-46) in the mid-1930s, 34-35

French Navy

Involved with the U.S. Navy in unofficial antisubmarine exercises in the early 1960s, 237-238

Froehlke, Robert F.

Served 1969-71 as Assistant Secretary of Defense for Administration, 268-269

G4M “Betty” (Japanese Torpedo Plane)

Operations in the Pacific in early 1942, 101-102

Gardiner, Captain Joseph M., USN (USNA, 1931)

Commanded Composite Squadron Four (VC-4) at Atlantic City, New Jersey, in the early 1950s, 164-165

Gates, Thomas S. Jr.

Served 1957-59 as Secretary of the Navy, 188-206

In 1960 established the Joint Strategic Target Planning Staff (JSTPS) to control nuclear weapons, 255-256

Gay, Midshipman Jesse B., USN (USNA, 1935)

Gayler’s roommate at the Naval Academy in the early 1930s, 18-20, 33

Gayler, Captain Ernest R., CEC, USN

Career as a Navy civil engineer in the early part of the 20th century, 2-16, 32, 59

After having retired, was recalled to active duty in World War II, 12-13

Gayler, Admiral Noel A. M., USN (Ret.) (USNA, 1935)

Parents, 1-16, 23, 29, 32, 59, 344

First wife, Caroline, 71-73, 82-83, 91, 96-97, 116, 148, 182, 188, 229, 235-236, 265, 305-306, 320, 326

Siblings, 6-7, 11-12

Children of, 6, 31, 188, 204, 235

Boyhood in the 1910s-30s as a Navy junior, 1-16

Attended a West Point prep school in Hawaii 1930-31, 13-17

As a Naval Academy midshipman, 1931-35, 17-34

In the crew of the battleship *Maryland* (BB-46), 1935-38, 34-54

Served 1938-39 in the destroyer *Maury* (DD-401), 18, 54-62

Served 1939-40 in the destroyer *Craven* (DD-382), 62-66
Received flight training at Pensacola, Florida, in 1940, 67-80
Served 1940-42 in Fighting Squadron Three (VF-3), 80-98
In early 1942 served in Fighting Squadron Two (VF-2), 98-112
Served 1942-44 as a test pilot at Anacostia and Patuxent River, 113-125
Commanded Fighter Squadron 12 (VF-12) in 1944-45, 126-130
From May to September 1945 was on the staff of Vice Admiral John S. McCain, 130-144
Served 1946-48 as executive officer of the Special Devices Center, Office of Research and Inventions, Fort Washington, New York, 144-145
As operations officer of the escort carrier *Bairoko* (CVE-115), 1948-49, 149-151
From 1949 to 1951 was in the Fighter Design Branch, Bureau of Aeronautics, 151-154
From 1951 to 1954 commanded Air Development Squadron Three (VX-3), 154-165
Served 1954-56 in OP-551, the Air Warfare Division, Military Requirements Branch, of OpNav, 165-173
In 1956-57 commanded the seaplane tender *Greenwich Bay* (AVP-41), 173-188
For a few months in 1957 served on the Pacific Fleet staff, 188-189
From 1957 to 1959 was aide to Secretary of the Navy Thomas S. Gates Jr., 188-206
Commanded the aircraft carrier *Ranger* (CVA-61) in 1959-60, 44, 56-57, 166, 206-222
In 1960-62 was U.S. Naval Attaché in England, 222-234
In 1962-63 commanded Carrier Division 20, 234-244
From 1963 to 1967 served as Assistant DCNO (Development), 245-255
Was Deputy Director of the Joint Strategic Target Planning Staff (JSTPS) from 1967 to 1969, 255-263
From 1969 to 1972 was Director of the National Security Agency, 263-291
Served 1972-76 as Commander in Chief Pacific, 91, 291-334
Post-retirement activities, 335-345

Gentner, Rear Admiral William E., Jr., USN (USNA, 1930)

Flew SOC floatplanes from the battleship *Maryland* (BB-46) in the mid-1930s, 45
Commanded Carrier Division One, 1959-60, 214

German Navy

The incomplete light cruiser *Magdeburg* was scrapped after World War I and contributed her optical range finder to the U.S. battleship *Maryland* (BB-46), 42-43

Germany

After World War II, German scientists were brought to the United States to work at the Special Devices Center, Fort Washington, New York, 145-146

Gill, Lieutenant Frank F., USN

Served as fighter direction officer in the aircraft carrier *Lexington* (CV-2) in early 1942, 100-102

Great Britain

Military flight training during World War II, 68-69

Role of Gayler as U.S. naval attaché in London, 1960-62, 222-234

Segmentation of society into classes, 231-232

Greenwich Bay, USS (AVP-41)

Former seaplane tender that served in the late 1950s as one of the rotating flagships of Commander Middle East Force, 173-188

Groves, Lieutenant (junior grade) Alexander, USN (USNA, 1937)

Went through flight training at Pensacola in 1940, 71-72

Killed in aircraft accident in August 1940, 72

Sister Caroline married Gayler in 1941, 71-73

Gunnery-Naval

Practice with 12-inch guns on board the battleship *Arkansas* (BB-33) in 1934, 29-30

Operation of 16-inch and 5-inch guns of the battleship *Maryland* (BB-46) in the mid-1930s, 36-37, 40-45

Practice with 5-inch guns by the destroyer *Craven* (DD-382) in 1939-40, 62-63

Air-to-air gunnery practice in 1941 by Fighting Squadron Three (VF-3), 90-91

Practice by the seaplane tender *Greenwich Bay* (AVP-41) in the Persian Gulf in the late 1950s, 181

Gayler's view that gunfire support by U.S. destroyers in Vietnam was ineffective, 300-301, 322-323

Haig, General Alexander M., Jr., USA (USMA, 1947)

As a member of President Richard Nixon's staff in the early 1970s, made a factfinding mission concerning bombing in Southeast Asia, 329

Haiti

Primitive local conditions in the 1910s, 3-6

Halsey, Admiral William F., Jr., USN (USNA, 1904)

Commanded the Third Fleet during attacks on the Japanese home islands in 1945, 131-135

Hawaii

Gayler attended a West Point prep school at the Army's Schofield Barracks in 1930-31, 13-17

In 1940-41 planes from the aircraft carrier *Saratoga* (CV-3) made simulated attacks against Pearl Harbor, 95-96

Heinemann, Edward H.

Douglas Corporation designer who produced the A4D Skyhawk in the 1950s, 172

Hillenkoetter, Lieutenant Roscoe H., USN (USNA, 1920)

Served in the battleship *Maryland* (BB-46) in the mid-1930s, 33, 48

Hoover, J. Edgar

FBI director's name was on the Huston plan for domestic surveillance in the early 1970s, 282-283

Hunters Point Naval Shipyard, San Francisco, California

Supplied workers to repair the aircraft carrier *Ranger* (CVA-61) at Christmastime in 1959, 220-221

Huston Plan

Gayler recalled that the National Security Agency was not involved in this plan for domestic surveillance in the early 1970s, 283-283

Hyland, Lieutenant Commander John J., USN (USNA, 1934)

As a test pilot at Anacostia during World War II, 118-119

Indonesia

Visited by Gayler in the early 1970s in his role as CinCPac, 304-305

Instrument Flying

Experimental work by Air Development Squadron Three (VX-3) in the early 1950s, 160

Intelligence

Used by the U.S. Third Fleet in 1945 in attacking Japanese targets, 137-138

Role of the National Security Agency in the late 1960s-early 1970s, 265-291

Problems in the attack on the *Liberty* (AGTR-5) in 1967 and seizure of the *Pueblo* (AGER-2) in 1968, 275-276

General William Westmoreland's awareness of intelligence while commanding U.S. forces in Vietnam in the 1960s, 330-331

Iranian Navy

Operations with the U.S. Middle East Force in the late 1950s, 179-181

Iraq

Visited in the late 1950s by the commander of the U.S. Middle East Force, 184-185

Visited by Gayler in 1961 on the third anniversary of a military coup in the country, 224-227

Intelligence about the Iraqi Army and Navy in 1961, 225-227

Italy

Visited by midshipmen during the Naval Academy training cruise in 1934, 27-28

Jackson, Richard

In the late 1950s was Assistant Secretary of the Navy (Personnel and Reserve

Forces), 196-197

Japan

U.S. Third Fleet attacks on the home islands in the summer of 1945, 131-137
U.S. occupation of in the summer of 1945, 138-143
Surrendered on board the battleship *Missouri* (BB-63) in September 1945 to end World War II, 141
Around 1960 the aircraft carrier *Ranger* (CVA-61) visited various Japanese ports, 209-212, 220
Anti-American demonstration around 1960, 212
Relationship with the U.S. Pacific Command in the early 1970s, 91, 309-311

Japanese Navy

A Japanese submarine torpedoed the aircraft carrier *Saratoga* (CV-3) in January 1942, 98
Operations against U.S. carrier planes in February 1942, 100-102
In the Battle of the Coral Sea in May 1942, 106-110
Use of kamikazes in the waning months of World War II, 132-133

Johnson, President Lyndon B.

As a senator in the late 1950s, involved in Navy funding, 193-194
Strategy concerning the war in Vietnam, 285-287, 299

Joint Strategic Target Planning Staff (JSTPS)

Role in the late 1960s in the targeting of U.S. nuclear weapons, 195-196, 255-263

Kaigler, Midshipman David Jr., USN (USNA, 1935)

At the Naval Academy in the early 1930s, 31

Kamikazes

Japanese use of in the waning months of World War II, 132-133
Plans for use in the event the home islands were invaded, 140

Kassem, General Abdul Karim

Became Premier of Iraq through a 1958 coup, hosted Gayler in 1961, 224-227

Kauffman, Rear Admiral Draper L., USN (USNA, 1933)

In 1957 recommended Gayler to be aide to Secretary of the Navy Thomas Gates, 189-190
In 1963 became the first head of the Secretary of the Navy's Office of Program Appraisal, 249-250

Kennedy, President John F.

Impact in Europe after he became President in 1961, 231-232
Cuban Missile Crisis in 1962, 238-240

Kirk, Norman E.

Served as Prime Minister of New Zealand from 1972 to 1974, 306-307

Kissinger, Henry A.

Sought to tailor U.S. intelligence estimates in the late 1960s-early 1970s, 268

Korea, North

Gayler's views on the nation's leadership in the 1980s, 318-319

Korea, South

Relationship with U.S. Pacific Command in the early 1970s, 318-319

Korth, Fred S.

Served 1962-63 as Secretary of the Navy, 249-250

Laird, Melvin R.

Served as Secretary of Defense from 1969 to 1973, 264, 268-274, 292, 300

Lake Champlain, USS (CVS-39)

Served in the early 1960s as flagship for Commander Carrier Division 20, 235

Leave and Liberty

Off-duty activities for junior officers of the battleship *Maryland* (BB-46) in the mid-1950s in Southern California, 37-39

For crew members of the aircraft carrier *Ranger* (CVA-61) in the Far East around 1960, 212

Lemmon, Ensign Rolla S., USN

In the early 1940s flew as part of Fighting Squadron Three (VF-3), 84-85

Lewis, Commander Allen L, USN

Served around 1960 as executive officer of the aircraft carrier *Ranger* (CVA-61), 207, 216-218

Lexington, USS (CV-2)

Platform for Gayler's carrier qualification in 1940, 81-82

Wartime operations in early 1942, 98-106

Sunk during the Battle of the Coral Sea in May 1942, 65, 74, 106-114

Liberty, USS (AGTR-5)

Attacked by Israeli aircraft in June 1967, 275-276

ME-109 (German Fighter Plane)

Flown by U.S. test pilots in World War II, 117

Marcos, Ferdinand

Relationship of the Filipino President and his wife Imelda with Gayler in the early

1970s, 307, 315

Marshall Islands

In 1948 Eniwetok was the site of U.S. nuclear weapons tests, 149-150

Martin, Graham A.

U.S. ambassador to South Vietnam when Saigon was evacuated in the spring of 1975, 298-299, 332

Maryland, USS (BB-46)

Football team in the mid-1930s, 34-35

Operations off the West Coast in the mid-1930s, 34-54

Enlisted crewmen, 34-36, 41-42

Communications ciphering, 36

Operation of 16-inch and 5-inch guns in the mid-1930s, 36-37, 40-45

Off-duty activities for junior officers in Southern California, 37-39

Optical range finders for fire control of the guns, 42-43

Ship handling in the mid-1930s, 43-44

Electric-drive propulsion system, 53-54

Maury, USS (DD-401)

Ship characteristics when commissioned in 1938, 54-55, 59-62

High-pressure steam plant, 55-56

Operations in the Pacific in the late 1930s, 18, 55-62

Shakedown cruise to the South Pacific in the late 1930s, 59-61

Mayaguez, SS (U.S. Merchant Ship)

Freighter captured by Cambodia in May 1975, 333-334

McCain, Vice Admiral John S., USN (USNA, 1906)

Commanded Task Force 38 in the spring and summer of 1945, 130-137, 143

McCain, Admiral John S., Jr., USN (Ret.) (USNA, 1931)

Served 1968-62 as CinCPac while his son was a POW in Vietnam, 271

McDonald, Vice Admiral David L., USN (USNA, 1928)

Service in Washington, D.C., during World War II, 242

Commanded the Sixth Fleet, 1961-63, 242

McDonnell Aircraft Corporation

Early development, in the mid-1950s, of the F4H Phantom II fighter, 165-169

McElroy, Neil H.

As Secretary of Defense, 1957-59, 194

McNamara, Robert S.

As Secretary of Defense in the 1960s, was involved in the F-111 fighter issue, 247-248

Limited contact between defense contractors and military personnel, 248-249
Emphasis on systems analysis, 251, 269-270
Working style, 269-270
Strategy concerning Vietnam, 285-287

Mexico

President Luis Echeverria visited the Gaylers in Hawaii in the early 1970s, 305

Middle East Force, U.S.

Small naval force that operated in and around the Persian Gulf in the late 1950s, 174-188

Mine Warfare

U.S. mining of Haiphong, North Vietnam, in 1972, 287-288

Missiles

Concerns in the late 1960s about anti-missile defense, 259

Missouri, USS (BB-63)

Involved in Third Fleet operations against Japan in 1945, 231-133
The Japanese surrendered on board in September 1945 to end World War II, 141

Moore, General William G. Jr., USAF

In the 1970s served a chief of staff to CinCPac and as Commander in Chief Military Airlift Command, 325

Moorer, Admiral Thomas H., USN (USNA, 1933)

In 1969 nominated Gayler as director of the National Security Agency, 263-264, 328
Professional disagreement with Gayler in the early 1970s on operational intelligence, 273-274
Served 1970-74 as Chairman of the Joint Chiefs of Staff, 284-285, 294, 297, 328
Transition to retired life in 1974, 334-335
Opposed Gayler's views on nuclear weapons, 342-343

Moreell, Admiral Ben, CEC, USN

During World War II, headed the Bureau of Yards and Docks, 12

Mountbatten, Admiral of the Fleet, Lord Louis, Royal Navy

Served as Britain's Chief of Defence Staff, 1959-65, 230
Assassination of in 1979, 230-231

Mugford, USS (DD-389)

Commanded by aggressive skipper Arleigh Burke in the late 1930s, 62-63, 201

Muller, Midshipman Henry L., USN (USNA, 1935)

Saluted the Pope when a training cruise in 1934 visited Italy, 27-28

Mussolini, Benito

Italian dictator who reviewed Naval Academy midshipmen when they visited Italy in 1934, 28

N3N “Yellow Peril”

Aircraft used for flight training at Pensacola in the early 1940s, 71-72, 77-78

Nagato (Japanese Battleship)

Attacked by Third Fleet carrier planes in 1945, 136-137

National Security Agency

Role in the late 1960s-early 1970s, 263-291

Not involved in the Huston plan for domestic surveillance in the early 1970s, 282-283

Naval Academy, Annapolis, Maryland

Life for midshipmen in the early 1930s, 17-34

Academics in the early 1930s, 20-21

Discipline in the early 1930s, 22-23

Social life, 24-25

Summer training cruises in the early 1930s, 25-30

Navigation

By the aircraft carrier *Ranger* (CVA-61) entering Kobe, Japan, around 1960, 209-210

Newport, Rhode Island

Home of the Gayler family for a time in the 1920s, 10-11

New Zealand

Visited in the late 1930s by the destroyer *Maury* (DD-401), 61

Norman Kirk served as Prime Minister from 1972 to 1974, 306-307

Night Flying

By Fighting Squadron Three (VF-3) in the aircraft carrier *Saratoga* (CV-3) in 1940-41, 92-93

By Fighting Squadron Two (VF-2) in the aircraft carrier *Lexington* (CV-2) in early 1942, 106

Experimental work by Air Development Squadron Three (VX-3) in the early 1950s, 160

Nixon, President Richard M.

In 1969 received a briefing about the Joint Strategic Target Planning Staff (JSTPS), 257

In 1972 was hesitant in approving Gayler to become CinCPac, 271

In 1970 a Nixon staffer proposed the Huston plan for domestic spying, 282-283

As Commander in Chief during the Vietnam War, 328-329

Norstad, General Lauris, USAF (USMA, 1930)

As NATO's Supreme Allied Commander Europe in the late 1950s, visited by Secretary of the Navy Thomas Gates, 191-192

Nuclear Weapons

Dropped on Japan in August 1945 by U.S. Army Air Forces bombers, 135-136
In 1948 Eniwetok in the Marshall Islands was the site of U.S. nuclear weapons tests, 149-150

Tactics developed by Air Development Squadron Three in the early 1950s for delivering nuclear weapons, 155-158

Simulated nuclear bombing demonstration for the Joint Chiefs of Staff in the early 1950s, 157-158

Roles of the Joint Strategic Target Planning Staff and the Strategic Air Command during the late 1960s, 195-196, 255-263

Gayler's personal views against the use of nuclear weapons, 262-263, 289, 336-343

O'Hare, Lieutenant (junior grade) Edward H., USN (USNA, 1937)

In the early 1940s was a member of Fighting Squadron Three (VF-3), 88-89, 101
Death of in 1943, 93

Ohira, Masayoshi

Served in the 1970s as Japan's Minister of Foreign Affairs and later as Prime Minister, 311

Omer, Captain George D., USMCR

Served as a flight instructor at Pensacola in 1940, 70

Operational Development Force

Relationship in the early 1950s with Air Development Squadron Three (VX-3), 155, 162-163

Gayler's evaluations of its effectiveness in the 1950s and 1960s, 253-254

P-51 Mustang

Army fighter plane used in Navy flight tests during World War II, 115-116, 120
Based on Iwo Jima at the end of World War II, 135

P-59 Airacomet

During World War II, Gayler flew the YP-59 prototype of this jet fighter, 119-120

Pacific Command, U.S.

Gayler's view on the desirability of emphasizing the joint nature of the command, 293-295, 320-324, 332

Role in 1972-75 in connection with the Vietnam War, 296-303

Relationships in 1972-76 with various nations of the Pacific Rim, 303-319

The command's planning function in the early 1970s, 332-333

Pahlavi, Mohammed Reza

As Shah of Iran, interest in naval matters in the late 1950s, 179-181

Pakistan

Gayler's interaction with the country in his role as CinCPac in the early 1970s, 315-317

Change of government in 1977 as the result of military coup, 303-304

Patuxent River, Maryland, Naval Air Station

Site of Navy flight tests during World War II, 116-125

Pearl Harbor, Hawaii

In 1940-41 planes from the aircraft carrier *Saratoga* (CV-3) made simulated attacks against Pearl, 95-96

Pensacola, Florida, Naval Air Station

Site of flight training in 1940, 67-80

Persian Gulf

Operations in the late 1950s of the small U.S. Middle East Force, 174-188

Personnel

Planning in the late 1950s to deal with the promotion of officers commissioned during World War II, 196-198

Peterson, Ensign Dale W., USNR

Flew in combat in early 1942 as part of Fighting Squadron Two (VF-2), 101-102

Philippine Islands

Gayler's relationship with President and Mrs. Marcos in the early 1970s, 307, 315

Polo

Gayler's connection with the sport, 315-317

Pride, Rear Admiral Alfred M., USN

As chief of the Bureau of Aeronautics, 1947-51, 64, 152

Prisoners of War

Raid on Son Tay, North Vietnam, in 1970 in an attempt to rescue U.S. prisoners, 284

Release of U.S. prisoners of war by North Vietnam in early 1973, 302, 314

Promotion of Officers

Planning in the late 1950s to deal with the promotion of officers commissioned during World War II, 196-198

Propulsion Plants

Electric-drive system in the battleship *Maryland* (BB-46) in the mid-1930s, 53-54

High-pressure steam plant in the destroyer *Maury* (DD-401) in the late 1930s, 54-56

Public Relations

Contacts with the news media and public by Secretary of the Navy Thomas Gates in the late 1950s, 201-204

***Pueblo*, USS (AGER-2)**

Seized by North Korea in January 1968, 275-276

Puget Sound Navy Yard, Bremerton, Washington

Service to the fleet in the 1920s, 6-9

Quantico, Virginia

Site of a bombing demonstration for the Joint Chiefs of Staff in the early 1950s, 157-158

Quinn, Rear Admiral John, USN (USNA, 1928)

Served for several months in 1956 as Commander U.S. Middle East Force, 178-179

R3Y Tradewind

Convair-built seaplane tested by the Navy in the mid-1950s, 171-172

Radford, Lieutenant Arthur W., USN (USNA, 1916)

In the 1920s served in Observation Squadron One, based in Seattle, 9

Ramsey, Commander Paul H., USN (USNA, 1927)

Commanded Fighting Squadron Two (VF-2) on board the aircraft carrier *Lexington* (CV-2) in early 1942, 98

Served as a test pilot at Patuxent River, Maryland, during World War II, 124

***Randolph*, USS (CV-15)**

Deployed to the Western Pacific in early 1945, 128-129

***Ranger*, USS (CVA-61)**

Commissioning of in 1957, 206 Ship handling in 1959-60, 44, 56-57, 210-212

F3H Demons in the air group in 1959-60, 166

Operations in the Pacific, 1959-60, 207-222

Enlisted crew members, 208-210

Was among the early U.S. Navy ships, around 1960, to have closed-circuit television, 208-209, 216-217

Rickover, Vice Admiral Hyman G., USN (USNA, 1922)

Relationship in the late 1950s with the office of the Secretary of the Navy, 199-200

In 1960 attended the launching of the British nuclear submarine *Dreadnought*, 229

***Right Stuff*, The**

Gayler's opinions on this book/movie about test pilots and astronauts, 75, 170-171

Royal Navy

Aircraft carrier experiments in the early 1950s, 159-160
Launching of the nuclear submarine Dreadnought in 1960, 229
Relationship with the U.S. naval attaché in the early 1960s, 230

Rumsfeld, Donald H.

As Secretary of Defense, 1975-77, 326

Russell, Rear Admiral James S., USN (USNA, 1926)

Served 1955-57 as Chief of the Bureau of Aeronautics, 168-169

Ryan, General John D., USAF (USMA, 1938)

Served 1964-67 as Commander in Chief of the Strategic Air Command, 256-257

SOC Seagull

Spotted gunnery practice for the battleship *Maryland* (BB-46) in the mid-1930s, 44-46

Saigon, South Vietnam

Evacuation of U.S. personnel in the spring of 1975, 297-299

Samoa

Building of a U.S. Navy coaling station in American Samoa at the beginning of the 20th century, 2-3
Visited in the late 1930s by the destroyer *Maury* (DD-401), 39-40

Sand Point Naval Air Station, Seattle, Washington

Construction of in the 1920s, 9

Saratoga, USS (CV-3)

Operations in the Pacific in 1941-42, 84-98 Torpedoed off Hawaii in January 1942, 98

Saudi Arabia

Visited in the late 1950s by the flagship of the U.S. Middle East Force, 173-175, 181-183, 187

Selection Boards

Secretary of the Navy precepts to selection boards in the late 1950s, 203

Sequoia, USS (AG-23)

Yacht used by Secretary of the Navy Thomas Gates in the late 1950s, 196

Shah of Iran

See: Pahlavi, Mohammed Reza

Sherby, Commander Sydney S., USN (USNA, 1936)

Served in the Bureau of Aeronautics in the late 1940s- early 1950s, 152-154

Sherman, Captain Frederick C., USN (USNA, 1910)

Commanded the aircraft carrier *Lexington* (CV-2), 1940-42, 103, 109-111

Ship Handling

On board the battleship *Maryland* (BB-46) in the mid-1930s, 43-44

On board the aircraft carrier *Ranger* (CVA-61), 1959-60, 44, 56-57, 210-212

Simulators

Used in U.S. aviation training during World War II, 68-69, 80

Single Integrated Operational Plan (SIOP)

Concern of the Joint Strategic Target Planning Staff (JSTPS) in the late 1960s, 255-263

Sixth Fleet, U.S.

Role of Carrier Division 20 in the Mediterranean in the early 1960s, 241-243 Relative merits of the fleet being commanded by aviators or surface officers, 243

Slonim, Ensign Gilven M., USN (USNA, 1936)

Served in the battleship *Maryland* (BB-46) in the mid-1930s, 47-48

Smith, Admiral Harold Page, USN (USNA, 1924)

In the late 1950s was Chief of Naval Personnel, 230

In the mid-1960s, as CinCLantFlt, vetoed Gayler as a carrier division commander, 207

Smoot, Lieutenant Roland N., USN (USNA, 1923)

Served on board the battleship *Maryland* (BB-46) in the mid-1930s, 35-36, 40

Sonar

On board nuclear submarines in the early 1960s, 236

Son Tay, North Vietnam

Raid on in 1970 in an attempt to rescue U.S. prisoners, 284

Soviet Union

Target of U.S. intelligence gathering in the late 1960s-early 1970s, 266-267

Support of North Vietnam in the Vietnam War, 301

Special Devices Center, Fort Washington, New York

Development work, 1946-48, in training devices and other equipment, 144-148

Used the services of scientists brought in from Germany, 145-146

Spitfire

British fighter plane used against both Japanese and German forces in World War II, 99-100, 120-121

Strategic Air Command

Role in nuclear weapons delivery planning in the late 1950s, 195-196
Effectiveness in the late 1950s-early 1960s, 257-259

Strategy

Gayler's views on the U.S. strategy in Vietnam, 285-289, 299-300

Tactics

Development of the Thach Weave fighter tactic prior to World War II, 85-86
Tactics in Fighting Squadron Two (VF-2) at the outset of World War II, 101-102
Tactics developed by Air Development Squadron Three in the early 1950s for delivering nuclear weapons, 155-158

Tallman, Lieutenant Benjamin LongEdes, USN (USNA, 1935)

Served as a junior officer in the battleship *Maryland* (BB-46) in the 1930s, 33
Clumsiness on board a destroyer in World War II, 33

Taiwan

Changing relationship with the United States in the early 1970s, 308-309

Tanumafili II

Served as Samoan head of state from 1939 until he died in 1007, 59-60

Test Pilots

Navy flight operations at Anacostia, D.C., and Patuxent River, Maryland, 1942-44, 114-121

Thach, Captain John S, USN (1927)

Commanded Fighting Squadron Three (VF-3) in the early 1940s, 80-93, 100, 105
In 1945 was operations officer on the staff of Vice Admiral John S. McCain, 131, 134, 137

Thompson, Lieutenant Commander Edward M., USN (USNA, 1921)

In the late 1930s commanded the destroyer *Maury* (DD-401), 18, 56-57

Tordella, Dr. Louis W.

Long-time deputy director of the National Security Agency, 265, 280

Training

Naval Academy summer cruises in the early 1930s, 25-30
Flight training at Pensacola, Florida, in 1940, 67-80

Trapnell, Commander Frederick M., USN (USNA, 1923)

Headed the U.S. Navy's test pilot program during World War II, 114-115, 122

VC-4

See: Composite Squadron Four (VC-4)

VF-2

See: Fighting Squadron Two (VF-2)

VF-3

See: Fighting Squadron Three (VF-3)

VF-12

See: Fighter Squadron 12 (VF-12)

VX-3

See: Air Development Squadron Three (VX-3)

Vampire (British Fighter Plane)

Royal Navy aircraft used for carrier tests in the early 1950s, 159-160

Vietnam War

In the mid-1960s the Navy had no long-range development programs geared to Vietnam, 246-247

Admiral John S. McCain Jr. served 1968-72 as CinCPac while his son was a POW in Vietnam, 271

Raid on Son Tay, North Vietnam, in 1970 in an attempt to rescue U.S. prisoners, 284

Gayler's views on the U.S. strategy in Vietnam, 285-289, 299-300

U.S. mining of Haiphong, North Vietnam, in 1972, 287-288

Gayler's view that gunfire support by U.S. destroyers in Vietnam was ineffective, 300-301, 322-323

U.S. combat operations in late 1972-early 1973, 296-303, 328-330

In 1973 Congress cut off funds for supplying Vietnam militarily, 301-302

Release of U.S. prisoners of war in early 1973, 302, 314

Evacuation from Saigon in the spring of 1975, 297-299

Vinson, Representative Carl, (Democrat-Georgia)

As chairman of the House Armed Services Committee in the late 1950s, involved in Navy budgets, 192-193

Walker, Commander Thomas J. III, USN (USNA, 1939)

In the early 1950s commanded Air Development Squadron Five (VX-5), 162

Watkinson, Harold

Served from 1959 to 1962 at British Minister of Defence, 223

Weisner, Admiral Maurice F., USN (USNA, 1941)

Served as Commander in Chief Pacific Fleet, 1973-76, 320, 324-325

Westmoreland, General William C., USA (USMA, 1936)

Awareness of intelligence while commanding U.S. forces in Vietnam in the 1960s, 330-331

Wisner, Frank G.

Central Intelligence Agency station chief in London in the early 1960s, 222

Gayler's opinions on this author's book about test pilots and astronauts, 75, 170-171

Wyoming, USS (AG-17)

Naval Academy summer training cruise in 1932, 25-27

Yokosuka, Japan

Americans celebrated victory at the Japanese naval officers' club in 1945, 142-143

Visited by the aircraft carrier *Ranger* (CVA-61) around 1960, 210

Zero (Japanese Fighter)

In combat against Allied forces in early 1942, 92, 99-100, 108

U.S. test pilots flew a captured Zero in 1943, 117, 121-123

Zirol, Lieutenant Commander Humbert W., USN (USNA, 1916)

Taught at the Naval Academy in the early 1930s, 28

Zumwalt, Admiral Elmo R., Jr., USN (USNA, 1943)

Involvement in officer promotion planning in the late 1950s, 196-198

Relaxed grooming standards during his tenure as CNO in the early 1970s, 53, 279

In 1970 asked Gayler to serve as Chief of Naval Material; Gayler declined, 270-271

In 1972 nominated Gayler to become Commander in Chief Pacific, 292-293
